ABOUT ME

Dedicated and skilled Front-End Developer, creating visually appealing and user-friendly websites and web applications. Proficient in HTML, CSS, JavaScript, and modern front-end frameworks. Adept at collaborating with cross-functional teams to translate UI/UX designs into responsive and interactive web experiences. Passionate about staying up-to-date with industry trends and best practices to deliver high-quality digital solutions.

PROJECT

Sep 2023- Sep 2023

Discord Website Clone

Created with HTML, Tailwind CSS, this Discord website clone offers a visually appealing and user-friendly experience. Its responsive design ensures seamless access across various devices, providing users with an authentic Discord-like environment for communication and community engagement.
